Tricky:
I'll be beggin' please
Three-sixty degrees
Me a better man
Me a better man
I'll be beggin' please
Three-sixty degrees
A better man
Make me a better manI'll be beggin' please
Three-sixty degrees
Make a better man
Make a better man
I'll be beggin' please
Three-sixty degrees
Make a better man
Make a better manI'm on my knees
Three-sixty degrees
Make a better man
Make a better man
Make a better man
Make a better manI'm beggin' please
