Spell It Out

Toro y Moi

Do you understand what must be done?
Don't make it into something that it's not
Do I need to spell it out?What do you want? Is it more than her?
Maybe no one really wants to try
Why can't we see what's not happening?
Maybe love is only for the blindDo you understand what must be done?
Don't make it into something that it's not
Do you understand what must be done?
Don't make it into something that it's not
Do I need to spell it out?
We need to get togetherDo you understand what must be done?
Don't make it into something that it's not
Do you understand what must be done?
Don't make it into something that it's not
Do I need to spell it out?
We need to get together
