Foo Fighters

Able bodied, chew the word
Cop to plenty, sell the tour
Split the moment, seal the sheet
Take the hemlock, beg to seeFeed the lawn from the palms of their hands
Never holding, to a pole
Winnebago, we were one
Hold in wonder, spoke and wheel
She divorces, party zealDaddy loves little son, no demand
Able bodied, chew the word
Cop to plenty, sell the tour
Split the moment, seal the sheet
Take the hemlock, beg to seeCrawl along, lookin' up 'til you standorld
