

# Pinball Wizard

## Binghamton Crosbys

Ever since I was a young boy  
I've played the silver ball  
From Soho down to Brighton  
I must have played them allI ain't seen nothing like him  
In any amusement hall  
That deaf, dumb and blind kid  
Sure plays a mean pinballStands like a statue  
Becomes part of the machine  
Feeling all the bumpers  
Always playing cleanPlays by intuition  
The digit counters fall  
That deaf, dumb and blind kid  
Sure plays a mean pinballHe's a pinball wizard  
There has to be a twist  
A pinball wizard  
Got such a supple wristHow do you think he does it?  
I don't know  
What makes him so good?Ain't got no distractions  
Can't hear no buzzers and bells  
See no lights a-flashin'  
Plays by sense of smellAlways gets a replay  
Never seen him fall  
That deaf, dumb and blind kid  
Sure plays a mean pinballThought I was  
The Bally table king  
But I just handed  
My pinball crown to himAt my favorite table  
He can beat my best  
Doubles lead him in  
He just does the restHe's got crazy flipping fingers  
I've never seen him fall  
That deaf, dumb and blind kid  
Sure plays a mean pinball
