

# I'm a Robot

## Weezer

I ride the train to work every day,  
I reach my cubicle about 9 AM,  
I have to earn money to pay my bills,  
But I don't know how my life turned out this way I'm a robot, I'm a robot,  
I don't have any feeling in my heart I have a wife and a child waiting at home,  
Occasionally, I give my dog a bone, (woof)  
If I am feeling wacky, then I might,  
Drink a quart of vodka,  
spend the night down in the gutter I'm a robot, I'm a robot,  
I don't have any feeling in my heart Don't you worry, don't you worry about me  
Don't you worry, don't you worry about me  
This is how my father was; how his father was  
Don't you worry, don't you worry about me I'm a robot, I'm a robot,  
I don't have any feeling in my heart,  
I'm a robot, I'm a robot,  
I don't have any feeling in my heart,  
In my heart
