

# Cuz Lightyear - Luke C Walker

## Cuz Lightyear

I Stay Myself I Never Changed (yeah yeah yeah)  
Do Whatever Get You Paid (yeah yeah yeah)

Cuz crippinâ€™ but I still f\*ck a red(bone)  
Got 100 different plugs in my cell(phone)  
Still 33 for a el(bow)  
Imma ride â€˜til my dogs sittin in jail(home)

East Atlanta on the crest bending back(row)  
Iâ€™m on Chandler, Iâ€™m on Gresham, Iâ€™m on Flat(shoals)  
Iâ€™m at Magic, Iâ€™m at Folles letting â€˜em stacks(go)  
Then itâ€™s right back to the trap when those stacks(go)

Trap house never closes, we wide open  
Kickinâ€™ flavor with me neighbor, yeah we local  
Repâ€™ the bottom â€˜cause the bottom where we come from  
Me no pray for little paper, need a lump sum

Real Spiel, yeah  
I would rather be a broke real n\*gga than a rich fuckn\*gga  
Donâ€™t fall in love with her  
She just wanna be in V.I.P with a drug dealer

Donâ€™t blame me, I wonâ€™t let you shame me  
Had to get it how I got it on my own two feet

Donâ€™t blame me  
Iâ€™m what the game made me  
Not not what the fame made me  
I wonâ€™t let it change me, Iâ€™m the same me

I stay myself, I never changed (yeah yeah yeah)  
Dirty so they treat me like a stain (yeah yeah yeah)  
Do whatever gets you paid (yeah yeah yeah)  
Rollinâ€™ from the cradle to the grave (yeah yeah yeah)

On my hood, on my block(yeah)  
On my momma I wonâ€™t stop(yeah)  
Play with me, Iâ€™ll let it pop(yeah)

Halo on me, St Laurent(yeah)

Call me when it's cool, Cuh  
Keep one on me. Bust a move, Cuh  
You my lil baby boo, Girl  
I love you like my favorite color blue, Girl

Real Spiel, yeah  
I would rather be a broke real n\*gga than a rich fuckn\*gga  
Don't fall in love with her  
She just wanna be in V.I.P with a drug dealer

Don't blame me  
I'm what the game made me  
Not not what the fame made me  
I won't let it change me, I'm the same me

I stay myself, I never changed (yeah yeah yeah)  
Dirty so they treat me like a stain (yeah yeah yeah)  
Do whatever gets you paid (yeah yeah yeah)  
Rollin' from the cradle to the grave (yeah yeah yeah)
