

# Blue Light

Ed Teja

There's a blue light in my best friend's room  
There's a blue light in his eye  
There's a blue light, yeah  
I want to see it shine  
There's a ship that sails by my window  
There's a ship that sails on by  
There's a world under it, I think I see it sailing away  
I think it's sailing miles crashing me by  
Crashing me by, crashing me by  
There's a world outside my doorstep  
Flames over, everyone hot, don't you see them shining?  
I want to hear them beating for me  
I think I hear them waves crashing me by  
Crashing me by, crashing me by
