

# I Will Be Yours

Aaron Carter

Oh, I will be yours I don't know what to do, I can't believe it's true that  
You can make me feel this way  
I see it in your eyes, it made me realize  
There's something that I've got to say I just wanna tell you that I'm sorry  
For all the things I've done to make you worry  
And all the time, I cared for you from the bottom of my heart I will be yours if you'll be mine  
I will be there 'til the end of time  
I will be with you until the day that I die  
I'll be yours, I will be yours I've been around the world and seen a lot of girls  
But no one can compare to you  
It's really plain to see that you belong to me  
'Cause you're the only one I need I just wanna tell you that I'm sorry  
For all the things I've done to make you worry  
And all the time, I cared for you from the bottom of my heart I will be yours if you'll be mine  
I will be there 'til the end of time  
I will be with you until the day that I die  
I'll be yours, I will be yours I will be yours  
I will be yours  
Oh, I will be yours I will be yours if you'll be mine  
I will be there 'til the end of time  
I will be with you until the day that I die  
I'll be yours, I will be yours I will be yours  
I will be yours
