

# Stealing Cars

## Nadine Shah

Oh, it's criminal  
I'm stealing cars in my dreams  
That neither you or I can drive  
Passing the time away, cinema twice a day  
Now, I'm now left to see  
Put the guilt in me, my anxiety  
Check your pulse when I speak  
See me through it all  
The rest is drenched in cold sweat nights  
The words I never found to say  
Masking humanity, here I'm looking for me  
You're my hide away  
Take the covers from me, naked for all to see  
you handed me over  
Oh, it's criminal  
I'm stealing cars in my dreams  
That neither you or I can drive  
Passing the time away, cinema twice a day  
Now, I'm now left to see  
Put the guilt in me, my anxiety  
Check your pulse when I speak  
See me through it all  
The rest is drenched in cold sweat nights  
The words I never found to say  
Masking humanity, here I'm looking for me  
You're my hide away  
Take the covers from me, naked for all to see  
you handed me over
