

All I Can Do (Hibell Remix) [feat. Silver]

Bad Royale

Only I was left till morning
All I think about is how I can't replace you
I didn't heed your thousand warnings
There's only foolishness that i have to escape to
I, I, I stepped away
I, I, I stepped away
Called you when I saw you leavin'
I didn't want it, just believe me when I say that
I could show you how I'm feelin'
You're the one mistake that I wish I could play back
I, I, I stepped away
I, I, I stepped away
All I can do since that boy left with you is
I'm survivin', yeah I'm survivin'
All I can do since that boy left with you is
I'm survivin', yeah I'm survivin'
Yeah I'm survivin'
Yeah I'm survivin'
Slowly now the sun is rising
Where I stood and watched you dive beneath the waves, yeah
Till it falls to the horizon
I've been dreaming 'bout the promises I gave you
I, I, I stepped away
Why, why, why, such a waste
All I can do since that boy left with you is
I'm survivin', yeah I'm survivin'
All I can do since that boy left with you is
I'm survivin', yeah I'm survivin'
Yeah, yeah
Yeah
Oh I'm survivin'
yeah, yeah, yeah, yeah, yeah
I'm survivin'
Yeah
Oh I'm survivin'
yeah, yeah, yeah, yeah, yeah
I'm survivin'
oohh yeah
I'm survivin'
