

Twenty-twenty Surgery

Taking Back Sunday

I'll take with me every single luxury
When I leave you can
Count on me for that and nothing more
(Count on me for that and nothing more)
The view from this side's not what
The view from this side's not what
I thought it'd be, promise something different
We close our eyes and let go of the wheel
It's not the quantity that bothers me
(No, it's not the quantity that bothers me)
No, it's not the quality that bothers me
It's the means
Twenty-twenty surgery, well, twenty-twenty surgery for cheap
Dollar signs doll up a picture perfect point of view
Twenty-twenty surgery, well, twenty-twenty surgery for cheap
Dollar signs doll up a picture perfect point of view
Well all young children listen
'Cause they've got so much to learn
(Turn it in, tune out)
We'll get you home in time to make
The rent should be for free for being me

It's not the quantity that bothers me
(No, it's not the quantity that bothers me)
No, it's not the quality that bothers me
It's the means
Twenty-twenty surgery, well, twenty-twenty surgery for cheap
Dollar signs doll up a picture perfect point of view
Twenty-twenty surgery, well, twenty-twenty surgery for cheap
Dollar signs doll up a picture perfect point of view
I do, I don't need you like you think
I do, I don't, I don't need you like you think
I do, I don't, I don't need you like you think
I do, you don't, you just don't leave me alone
Twenty-twenty surgery, well, twenty-twenty surgery for cheap
Dollar signs doll up a picture perfect point of view
Twenty-twenty surgery, well, twenty-twenty surgery for cheap
Dollar signs doll up a picture perfect point of view
You're so sensitive, I am, I am a machine

You're so sensitive, I am, I am a machine
You're so sensitive, I am, I am a machine
You're so sensitive, I am, I am a machine
