Aubrey

çŽ‹è‹¥ç•³

And Aubrey was her name
A not so very ordinary girl or name
But who's to blame?For a love that wouldn't bloom
For the hearts that never played in tune
Like a lovely melody that everyone can sing
Take away the words that rhyme, it doesn't mean a thingAnd Aubrey was her name
We tripped the light and danced together to the moon
But where was JuneNo, it never came around
If it did it never made a sound
Maybe I was absent or was listening too fast
Catching all the words but then the meaning going pastBut God I miss the girl
And I'd go a thousand times around the world just to be
Closer to her than to meAnd Aubrey was her name
I never knew her but I loved her just the same
I loved her nameWish that I had found the way
And the reasons that would make her stay
I have learned to lead a life apart from all the rest
If I can't have the one I want, I'll do without the bestBut how I miss the girl
And I'd go a million times around the world just to say
She had been mine for a day
