## Antigama

I'm becoming less defined as days go by  
Fading away, well, you might say I'm losing focus  
Kind of drifting into the abstract  
In terms of how I see myself  
Sometimes, I think I can see right through myself  
Sometimes, I think I can see right through myself  
Sometimes, I can see right through myself  
Less concerned about fitting into the world  
Your world that is, 'cause it doesn't really matter anymore  
(No, it doesn't really matter anymore)  
No, it doesn't really matter anymore  
None of this really matters anymore  
Yes, I am alone but then again I always was  
As far back as I can tell, I think maybe it's because  
Because you were never really real to begin with  
I just made you up to hurt myself  
I just made you up to hurt myself  
Yeah, and I just made you up to hurt myself  
I just made you up to hurt myself  
Yeah, and I just made you up to hurt myself  
And it worked  
Yes, it did  
There is no you, there is only me  
There is no you, there is only me  
There is no fucking you, there is only me  
There is no fucking you, there is only me  
Only  
  
Only  
Only  
Only  
Well, the tiniest little dot caught my eye  
And it turned out to be a scab  
And I had this funny feeling  
Like I just knew it's something bad  
I just couldn't leave it alone  
I kept picking at that scab  
It was a doorway trying to seal itself shut  
But I climbed through

Now I'm somewhere I am not supposed to be  
And I can see things I know I really shouldn't see  
And now I know why now, now I know why  
Things aren't as pretty on the inside  
There is no you, there is only me  
There is no you, there is only me  
There is no fucking you, there is only me  
There is no fucking you, there is only me
