

Emmylou

Vance Joy

Oh if you're losing sleep...
Oh if you're losing sleep, scared of shadows.
see it's just a chair, see the clothes hang there.
oh don't go losing sleep, scared of shadows.Oh don't feel bad.
I never have, since i got you, my Emmylou.
You wear your socks to bed, you wear your socks to bed.
That's what I do.
Oh c'mon sleepyhead,
get yourself to bed.
Don't go losin', oh, the nighttime.Oh, don't feel bad.
I never have.
Since I got you.
My Emmylou.....You are loved, you are loved, you are loved,you are loved.
You are loved, you are loved, you are loved,you are loved.
You are loved, you are loved, you are loved,you are loved.
You are loved, you are loved, you are loved,you are loved.
