

# Don't Pay The Ferryman (Chris River Styx Mix)

Chris de Burgh

It was late at night on the open road  
Speeding like a man on the run  
A lifetime spent preparing for the journeyHe is closer now and the search is on  
Reading from a map in the mind  
Yes there's the ragged hill  
And there's the boat on the river  
And when the rain came down  
He heard a wild dog howl  
There were voices in the night (don't do it)  
Voices out of sight (don't do it)  
Too many men have failed before  
Whatever you doDon't pay the ferryman  
Don't even fix a price  
Don't pay the ferryman  
Until he gets you to the other sideIn the rolling mist, then he gets on board  
Now there'll be no turning back  
Beware that hooded old man at the rudder  
And then the lightning flashed, and the thunder roared  
And people calling out his name  
And dancing bones that jabbered and a moaned  
On the water  
And then the ferryman said  
There is trouble ahead  
So you must pay me now (don't do it)  
You must pay me now (don't do it)  
And still that voice came from beyond  
Whatever you doDon't pay the ferryman  
Don't even fix a price  
Don't pay the ferryman  
Until he gets you to the other sideDon't pay the ferryman  
Don't even fix a price  
Don't pay the ferryman  
Until he gets you to the other sideDon't pay the ferryman  
Don't even fix a price  
Don't pay the ferryman  
Until he gets you to the other sideDon't pay the ferryman  
Don't even fix a price  
Don't pay the ferryman

Until he gets you to the other side  
Don't pay the ferryman
