

# P.O.W.A

## M.I.A.

Don't you wanna  
Tell me if you're gonna  
Put down your armour  
Promise no more drama Throw up my hands I say I'm not Dalai Lama  
Throw up my hands say I'm not Obama I'm not Osama  
Monsanto farmer  
I don't drink no soda  
I believe in Karma  
They try to shut me down  
I've still got the power  
They try to hate me  
But I still be that lover  
I know my mind  
In me I'm gonna find  
This is my time  
And I'm searching for the signs  
Throw up my hands  
Say this is people power  
Throw up my finger and I'm taking on the Tower Don't you wanna  
Tell me if you're gonna  
Put down your armour  
Promise no more drama You know me I don't watch TV  
People watching me are only gonna see  
I'm not your enemy FBI checking me  
Curbing my money but that don't bother me  
I'm much tougher  
I don't need the buffer  
I keep it light  
Keep my head out the gutter I'ma do it now  
I'ma do it  
I'ma do it now  
I'ma do it  
I'ma do it now  
I'ma show you how Put your hands up  
Put your middle fingers in the air  
M.I.A. make it spray like it's raining up in here  
Think you're getting baptised  
With the sweat on your tree Where where where  
You say where my water there You say wa wa wa wa wa

I say pa pa pa pa pa  
You say wa wa wa wa wa  
I say pa pa pa pa pa Supa-kala fascist, racist, espi-ala-tazors  
Posers with cases  
They better not erase us  
Batta come face us I'm not Rihanna  
I'm not Madonna  
I'm not Mariah  
Or Ariana  
I've been around in this world causing drama  
The real spice girl, hot girl power Don't you wanna  
Tell me if you're gonna  
Put down your armour  
Promise no more drama  
Throw my hands  
Say this is people power  
Throw up my finger and I'm taking on the Tower
