

I Love You

The Dandy Warhols

I love you [Repeat several times]

I only just met you before,
But i can't understand
You don't want me more.

You may-be think i'm
To smart and weird,
But that should only
Make you want to hear that,

I love you
(repeated several times)
(10x to be exact. why?)

You make me feel really
Unsure,
But that should only make
You feel secure.
Although we've only known
Each other a bit already,
I can't sleep at night and i feel
Like shit. that's right.

Ah's and bah-bah's
