

Hip Hop

Royce da 5'9"

I know my streets, I know my sounds
Y'all know my beats, how I get down
I take my steps, and leaps and bounds
Nigga it's, hip hop Yeah, yeah, we started from nothin' a couple MC's
 Beat boxin', the crowd in the lunch room
 Me and Prem', both names go together
Like they ain't supposed to be separate, like "D" in the DI said it before, I rep in records beats
 At the headquarters, rest in peace
 Nigga I'ma hold shotty and knock you out
And I ain't gotta know Karate like Afu-ralIt's, hip hop, strong or not
 This is rap basketball, stats all you got
 Long as you hot and your flow could hold up
To knowin' all of your short goals is long shotsNinety percent of you niggaz ain't hard
 Here, Just to Get a Rep, you not, Gangstarrs
 The finest flow will amaze, rap without me
Is to Source, minus the Quotable pageHip hop is everything around you
 No competition
 Back to the voice of today
 It's real in the field
What's realer than hip hopI know my streets, I know my sounds
 Y'all know my beats, how I get down
 I take my steps, and leaps and bounds
Nigga it's hip hopRhythmic, league c'mon wit it, I'm long winded
 I will diss you, from long distances
You will not get the chance, like ChoppaNess and Dylan, to dis-respect, who you don't listen to
 Egg in the skillet brain, nigga, diss is you
 Smarten up, every person in the earth, be harden up
 But the only target is usIt's hip hop cars and trucks
 I be dreamin' about shit
 Like havin' a hard time swingin'
On a nigga, or squeezin' a trigger or fallin'If I land, I won't wake up
 My six shot model, ya crew
 I'm leavin' ya mommy faces blue
Just like a Hypnotic bottleThey feel you the realer, you spit
 This killer shit is hearin' us
Healin' you if you ill or you sick mentallyIt's hip hop, is everything around you
 Gotta be something for me to write this
 Back to the voice of today
 No talent rappers

What's realer than hip hop I know my streets, I know my sounds
Y'all know my beats, how I get down
I take my steps, and leaps and bounds
Nigga it's hip hop More venom, 5'9 is like a G5
Illest lyrics is stored in him
Chorus is killin', any warrior feelin'
That I ain't God, Lord willin' Trust me, after I crush ya buildin'
You will just hush, you won't restore the village
We look toward wit killin', real
Though this album is morbidly feelin' to steel Hip hop, fuck your feelin's
More rappers dying, much more killin'
It's no feelin', realer than gamblin' ya life
Everyday and wakin' up to more dealin's Fourteen killin's, compared to offshore millions
Equals, I got a lot more villains
You know that you easily lose, you be on MTV News
For the first time, because you died over Hip hop is everything around you
Come alive y'all
Back to the voice of today
It's all in the game
What's realer than hip hop I know my streets, I know my sounds
Y'all know my beats, how I get down
I take my steps, and leaps and bounds
Nigga it's hip hop
