Oh No

Shivaree

Oh, No
I think I love you
I think I love you
I think I love you
Oh no
I think I want you
I think I want you
I think I want you

Oh no
I think I'll wreck you
I think I'll wreck you
I think I'll break you in two
Oh no
I think I'll eat you
I think I'll eat you
I think I'll eat you alive
Oh no.
