

Oh No

Shivaree

Oh, No

I think I love you

I think I love you

I think I love you

Oh no

I think I want you

I think I want you

I think I want you

Oh no

I think I'll wreck you

I think I'll wreck you

I think I'll break you in two

Oh no

I think I'll eat you

I think I'll eat you

I think I'll eat you alive

Oh no.
