

'Ol Blackbird

The Moondoggies

Old black bird way up in the sky
Old black bird keep on flyin high
Old black bird way up in the tree
Old black bird don't bother meOld black bird way up in the sky
Old black bird keep on flyin high
Old black bird way up in the tree
Old black bird don't bother meOld black bird way up in the sky
Old black bird keep on flyin high
Old black bird way up in the tree
Old black bird don't bother me
