Crazy Tonight

Clare Bowen

I've got a message for you baby
'Cause you ain't done nothing for me lately
If you wanna be my man
Come on baby catch me if you canI'm gonna go crazy if I don't get crazy tonight
I'm talkin whiskey slamin', dirty dancing, romance and come day light
No matter what you were thinking that I wouldn't honey I just might
I'm gonna go crazy if I don't get crazy tonightWell I paid way too much for these jeans
And they look too dam good not to be seen
So if you don't want to play baby
I'll go meet up with the ladies
And you know exactly what that meansI'm gonna go crazy if I don't get crazy tonight
I'm talkn' startin' trouble, seeing double, hey handsome you got a light
No matter what you were thinking that I wouldn't honey I just might
I'm gonna go crazy if I don't get crazy tonightBody shots, French kiss
Hold my beer and watch this
That's what I had in mind
Do you wanna, 'cause I'm gonnaYeah I'm gonna go crazy if I don't get crazy tonight
I'm talkin' whiskey slamin', dirty dancing, romance and come day light
No matter what you were thinking that I wouldn't honey I just might
I'm gonna go crazy if I don't get crazy tonightNo matter what you were thinking that I wouldn't honey I just might
Oh I'm gonna go crazy if I don't get crazy tonight
