

# Be For Real

Leonard Cohen

Are you back in my life to stay  
Or is it just for today, oh that you're gonna need me?  
If it's a thrill you're looking for  
Honey, I'm flexible, oh yeah  
Just be for real, won't you, baby?  
Be for real oh baby  
You see I, I don't want  
To be hurt by love again  
So you see I'm not naive  
I just would like to believe ah what you tell me  
So don't give me the world today  
And tomorrow take it away, don't do that to me, darling  
Just be for real, won't you, baby?  
Be for real, won't you, baby?  
You see I, I don't want  
To be hurt by love again  
Been hurt so many times  
You see I, I don't want  
To be hurt by love again  
I don't give a damn about the truth, baby  
Except for the naked truth, oh yeah  
Just be for real, won't you, baby?  
Be for real, won't you, baby?  
You see I, I don't want  
To be hurt by love again  
No, no, no, no  
It's just that I, I don't want  
To be hurt by love again  
Thanks for the song Mr. Knight
