

On My Own

Les Miserables Cast

Just say, say it ain't so
This is not the home that I know
(That I know)
I never thought I'd let you down
Never thought I'd let you down
You promised, you promised not to let me drown
In my daydreams, you take over me
In these daydreams, you take over me
Can I make it on my own?
Will I ever feel my limbs again?
Is this all in my mind?
Can I make it on my own?
Will I ever feel that way again?
Am I losing my mind?
No way, it's not the same
This place has had its way
I swore to never let you down
I never thought I'd let you down
I'm sorry, I'm sorry that I let you drown
In my daydreams, you take over me
In these daydreams, you take over me
Can I make it on my own?
Will I ever feel my limbs again?
Is this all in my mind?
Can I make it on my own?
Will I ever feel that way again?
Am I losing my mind?
Am I losing my mind?
Something's always pulling me underground
Something staring back at me
Is there something waiting there for me?
But there never really was, there never really was
(Something's always pulling me underground)
There never really was
(Something's always pulling me underground)
Now my daydreams take over me
Will these daydreams take over me?
Can I make it on my own?
Will I ever feel my limbs again?

Is this all in my mind?
Can I make it on my own?
Will I ever feel that way again?
Am I losing my mind?
Something's always pulling me under
In your eyes, tell me why
Open your eyes, you shall sleep within
Open your eyes, tell me why
Open your eyes, you still sleep within
Open your eyes, open your eyes
Open your eyes, open your eyes
Open your eyes, open your eyes
