Young Girls

PINS

We want to get away from here,
Anywhere just to disappear
We're not trying to be brave
We don't want to be saved.Sick for days, watching the rain
Everybody looks the same
I found the cure, I found the cure
I found the cure to ease your pain.What will we do? What will we do?
What will we do when our dreams come true?
What will we do? What will we do?
What will we do when our dreams come true?
Young girls, young girls?
We want to get away from here,
Anywhere just to disappear
We're not trying to be brave
We don't want to be saved.Are you living for a fantasy?
Holding to it desperately?
Wouldn't it be fun, wouldn't it be fun
To kiss everyone?
What will we do? What will we do?
What will we do when our dreams come true?
What will we do? What will we do?
What will we do when our dreams come true?
Young girls, young girls?
