

# Talk Too Much

## Skunk Anansie

Maybe I should be more discrete  
serve you up some sugary sweet  
I could be the wildest of childs  
that's not a real feat  
Blessings come but favors they go  
troubled by the whispers they know  
I could sink but I'm not the type  
I don't need to hide  
YOU WANT ME NOW  
BUT THAT'S NOT ENOUGH  
COS I WANT YOU FOR A LIFETIME  
YOU SAY IT LOUD BUT YOU TALK TOO MUCH  
I STILL WANT YOU FOR A LIFETIME TODAY  
I can leave but I stay to pray  
maybe on my knees you'll fail  
no one moved so no one got hurt  
this could be the day that you'll learn...today.
