

# Make Luv

## Room 5

I like to party mmhmm  
Everybody does  
Make luv and listen to the music  
You've gotta let yourself go go go go go oh  
I like to party mmhmm  
Everybody does  
You can be in the weekend of yours  
To see what you get into

Make luv and listen to the music  
You've gotta let yourself go go go go go oh  
Make luv and listen to the music  
You've gotta let yourself go go go go go oh  
Make luv and listen to the music  
You've gotta let yourself go go go go go oh  
Make luv and listen to the music  
You've gotta let yourself go go go go go oh  
I like to party mmhmm  
Everybody does  
You can be in the weekend of yours  
To see what you get into

Make luv and listen to the music  
You've gotta let yourself go ooh ooh ooh ooh  
Make luv and listen to the music  
You've gotta let yourself go go go go go oh

Gotta get myself  
Gotta move on up  
Make luv until the morning now

Make luv and listen to the music  
You've gotta let yourself go go go go go oh  
(Repeat to fade)
