

I Believe

Diana DeGarmo

Have you ever reached a rainbow's end?
Did you find your pot of gold?
Ever catch a shooting star?
Tell me how high did you soar? Ever felt like you were dreaming
Just to find that you're awake?
'Cause the magic that surrounds you
Will lift you up and guide you on your way I can see it in the stars across the sky
Dreamt a hundred thousand dreams before, now I finally realize
See, I waited all my life for this moment to arrive
And finally, I believe When you look out in the distance
You'll see I never was that far, no
Heaven knows of your existence
And wants you to be everything you are Oh, there's a time for every soul to fly
It's in the eyes of every child
It's that all that love can save the world
And we should never let it go I can see it in the stars across the sky
Dreamt a hundred thousand dreams before, now, I finally realize
See, I waited all my life for this moment to arrive
And finally I believe in the impossible
If I reach deep within my heart, yeah
Overcome any obstacle
Won't let this dream fall apart See, I strive to be the very best
Shine my light for all to see
'Cause anything is possible
When you believe yeah I can see it in the stars across the sky
Dreamt a hundred thousand dreams before, now I finally realize
I waited all my life for this moment to arrive
Finally, I believe, yes, I believe
