

Scars To Your Beautiful

Alessia Cara

She just wants to be beautiful
She goes unnoticed, she knows no limits
She craves attention, she praises an image
She prays to be sculpted by the sculptor
Oh, she don't see the light that's shining
Deeper than the eyes can find it
Maybe we have made her blind
So she tries to cover up her pain and cut her woes away
'Cause cover girls don't cry after their face is made But there's a hope that's waiting for you in the dark
You should know you're beautiful just the way you are
And you don't have to change a thing, the world could change its heart
No scars to your beautiful, we're stars and we're beautiful
Oh-oh, oh-oh
And you don't have to change a thing, the world could change its heart
No scars to your beautiful, we're stars and we're beautiful She has dreams to be an envy, so she's starving
You know, cover girls eat nothing
She says "beauty is pain and there's beauty in everything"
"What's a little bit of hunger?"
"I could go a little while longer," she fades away
She don't see her perfect, she don't understand she's worth it
Or that beauty goes deeper than the surface
Oh, oh
So to all the girls that's hurting
Let me be your mirror, help you see a little bit clearer
The light that shines within There's a hope that's waiting for you in the dark
You should know you're beautiful just the way you are
And you don't have to change a thing, the world could change its heart
No scars to your beautiful, we're stars and we're beautiful Oh-oh, oh-oh
And you don't have to change a thing, the world could change its heart
No scars to your beautiful, we're stars and we're beautiful No better you than the you that you are (no better you
than the you that you are)
No better life than the life we're living (no better life than the life we're living)
No better time for your shine, you're a star (no better time for your shine, you're a star)
Oh, you're beautiful, oh, you're beautiful And there's a hope that's waiting for you in the dark
You should know you're beautiful just the way you are
And you don't have to change a thing, the world could change its heart
No scars to your beautiful, we're stars and we're beautiful
Oh-oh, oh-oh
And you don't have to change a thing, the world could change its heart

No scars to your beautiful, we're stars and we're beautiful
