## **Chief Keef**

[Hook]

I got louie, I got gucci, I got bitches give me coochie
I wear Louie and Gucci bitch, call that shit that Gooey
I wear Hermes wear Burbouie
And my Trueys hold my toolie
My Louie hold my cash and my Gucci hold my jewelry

[Verse]

When I'm traveling my Gucci hold my clothes
When I'm traveling my Louie hold my clothes
And my pants hold my rolls
I gotta take off my damn shoe cause I ain't got no Jet yet bitch
Still making niggas upset bitch
Come through we shooting at your neck and shit bitch
Like I thought you was with the shit bitch?
They steady asking why I don't go to the awards
Cause I can't go to the awards with my damn pole or my bros
Cause they gone act a fool

Taking chains niggas act up then BOOM-BOOM BANG BANG! Money be the color of my veins nigga
Gold the color of my chains nigga
Yellow diamonds white diamonds
Bling bling nigga! Bling bling Nigga
