

# Still Ridin' Clean

## Project Pat

Still ridin' clean, makin' cheese and gettin' my dick sucked  
Still makin' cheese, ridin' clean and gettin' my dick sucked  
Still ridin' clean, makin' cheese and gettin' my dick sucked  
Still makin' cheese, ridin' clean and gettin' my dick sucked  
I swear I'm going through a thang but I gotta snap back  
Give it all to God it's tha pistol but tha crack back  
Stayin' on my job dealin' wit hatas wit a jap slap  
Dealin' wit this mob lice watchin' studio phone tapped  
You best believe that I could see it from a mile away  
Thought that my girl was down sleepin' wit tha enemy  
Tha streets are dangerous I could be dead any day  
That's why I'm ridin' wit my dog smokin' plenty hay  
This shit contagious doin' dope and its killin' me  
Even though I know I hit tha snow is you feelin' me  
I'm lookin' good twenty-three's on that flippin' paint  
Them twelve golds in my mouth makin' these bitches faint  
Now can't a nigga see I ain't got no time for games  
I'm on this Hennessey and I'm quick to shoot dat thang  
But fuck dat one of my young niggas'll take tha charge  
I'm stackin' loot muthafuck lookin' behind some bars  
Still ridin' clean, makin' cheese and gettin' my dick sucked  
Still makin' cheese, ridin' clean and gettin' my dick sucked  
Still ridin' clean, makin' cheese and gettin' my dick sucked  
Still makin' cheese, ridin' clean and gettin' my dick sucked  
Still ridin' clean, makin' cheese and gettin' my dick sucked  
Still makin' cheese, ridin' clean and gettin' my dick sucked  
Still ridin' clean, makin' cheese and gettin' my dick sucked  
Still makin' cheese, ridin' clean and gettin' my dick sucked  
Out slangin' brickas tha project nigga row-a  
A playa that's fa show-a I'm chargin' a hoe-a  
You weak niggas know-a you step and I fire

'Cause a nigga lovin' these streets and that's of course  
Mane I hate to see tha judge face and that's fa sho

Prayin' that he'll drop the charge and let me go  
'Cause I like smokin' good green Motel-io  
Stick my dick in a hoe's mouth and there I go  
Getting drunk off of liquor and smokin' this dope  
Put tha green in tha Swisher I'm gettin' blowed  
Still ridin' clean, makin' cheese and gettin' my dick sucked  
Still makin' cheese, ridin' clean and gettin' my dick sucked

You know who you are you hatin' ass bitch  
You tried to change yo name but you can chew on my dick  
I ain't playin' wit you hoes and you federal snitches  
Wanna walk up to this pimp and get a hole in ya tensions  
Always talkin' 'bout the Juice hoe I been on tha town  
I done blowed a hundred g's hoe you homey tha clown  
You can call ya girlfriend and me and Pancho can meet her  
She can lick our ass out or she can suck on our peters  
North, North is tha hood bitch you know we are real  
Know you scared to ride through know you gon' meet tha steel  
Can't forget about you cowards you be high when you talk  
Nigga I fuck yo fat ass wife and put her ass on tha house  
Juicy J is tha playa that you love to hate
