I Need Your Help

Deitrick Haddon

Verse 1:
In Your presence by myself, its You and me Lord and no one else, and I don't have to say a whole lot of things.
You already know I need Your help, my enemies want to see me fall, so they can say I told you so.
Mmmm, Lord I don't mean to bother You with my small problems, but there is no where else I can go.
Ooohhh,oooohhh,oooohhh,oooohhh,ooohhhh.
Hook:
Lord, I need your help (x2)
Verse 2:
Lord at thy feet I fall, and Lord I surrender all, and if You can forgive me of my sins, I know that I can start all over again, hey,

Oohhh,oooohhh,ooohh,oooohhh
You got it now sing it with me...
Hook:
Lord (Say I) I (I really do) need (yeah) Your help
(I tried to do it on my own but I found out)
Lord (I need) I (I need ya) need Your help
Bridge:
I traveled long on every side, there's no where to run or hide, won't You hear my humble cry (yeah!)
Hook:
Lord I need your help (x4)
