

Forsaken (OST Queen of the Damned)

David Draiman

I'm over it
You see I'm falling in the vast abyss
Clouded by memories of the past
At last I see I hear it fading, I can't speak it
Or else you will dig my grave
You feel them finding, always whining
Take my hand now be alive You see I cannot be forsaken
Because I'm not the only one
We walk amongst you feeding, raping
Must we hide from everyone? I'm over it
Why can't we be together embrace it?
Sleeping so long taking off the mask
At last I see My fear is fading, I can't speak it
Or else you will dig my grave
You feel them finding, always whining
Take my hand now be alive Everyone
Everyone Everyone
Everyone
