Yes It's True

Flamin' Groovies

Every time you see me smile
I'm really blue
Because I'm wondering all the while
If you're really trueCause girl you know I tried and tried
Everything to see your side
But I can't forget the tears I've cried
Yes, it's trueWhen you got a girl who thinks she's smart
That's not so fine
Cause they're the kind who'll break your heart
And leave you crying
And lovin' them is not so nice
You better think about it twice
Or I else she'll make you pay the price
Yes, it's trueWell, she's the kind of girl
Who knows what she wants to be
She knows what she wants
And she knows how to get it from me and youI saw the smile upon your face
I felt so sure
Although there never was a place
For me and you
'Cause girl you know I've tried and tried
Everything to see your side
But I can't forget the tears I've cried
Yes, it's true
Yes, it's true
Yes, it's true
