

# So Help Me God

# Kalee Hric

Yea though I walk through the courtroom of fear  
I wont be frightened cause I know that Youre here  
So help me God  
Youve kept Your word, Youve always been  
true

I've broken every promise I ever made to You  
So help me God  
Help me to see that you are good

Help me to do the things I should

And when I cantSo help me God

So help me God

So help me God

So help me Help me God I gotta be right with the laws of the land

I gotta be right with my fellowman  
So help me God  
Im okay with the Ten Commandments on the wall

If others dont like it I wont judge them at allSo help me God

Help me to see that you are good

Help me to do the things I should

And when I cantSo help me God

So help me God

So help me God

So help me Help me God Sometimes I forget youve got this all figured out

I dont have to worryI dont have to doubtSo help me God

Sometimes I dont know which way to turn

So I think its about time I learnSo help me GodHelp me to see that you are good

Help me to do the things I should

And when I cantSo help me God

So help me God

So help me GodSo help me

Help me God

And when Im downSo help me God

And when Im tempted So help me God

Im almost thereHelp me to see that you are good

Help me to do the things I should

And when I cantSo help me God

So help me God

So help me God

So help me Help me God So help me God

So help me God

So help meHelp me God
