Puppet Master

Moonraisers

Somewhere between heaven and earth
That is where you will find real freedom
We've been waiting for so long for this freedom
When other freedom fightersPuppet master, marching soldier
Fought of the rights of the people
You fought for the right to
Abuse people, that is why I call youPuppet master
Marching soldierI was a little boy when it happened
But I can still hear those killing machines
Roaring like thunder
Roaring like hungry lionsAnd they don't only hurt us physically
And they don't only hurt us politically
But they hurt us mentallyPuppet master
Marching soldierPuppet master
Marching soldierPuppet master
Marching soldier
