Trina

No panties comin' off my love is gonna cost
'Cuz ain't no way that you gone get up in this for free
New Trina!
Look Boo, what the deals? You got my cash, so you stick it in here?

And get my lipstick smeared fuck nigga don't be grabbin' my braids

Then I'm easily persuaded taste ass these un-sauteed
See I be cummin' all night and all day Miss Trina, sim seema

On my feet take me to the beach now crawl up in my wall real deep
No panties comin' off my love is gonna cost
'Cuz ain't no way that you gone get up in this for free

See I ain't done yet shit, I'm the type of bitch

No panties comin' off my love is gonna cost
'Cuz ain't no way that you gone get up in this for free

I want a crib in the deep suburbs two dogs and a mockingbird
Versace spread on my water bed now give me some head
Give me some head Miss Trina like to skits on red
And I'm the first to say it I'm the baddest bitch
No panties comin' off my love is gonna cost
'Cuz ain't no way that you gone get up in this for free

'Cuz ain't no way that you gone get up in this for free
