Too Late

The Huntingtons

I don't wanna see you crying anymore
I don't wanna hear you whining anymore
I don't wanna catch you knocking at my door
Ohh, no, ohh, ohh, noI'm just sitting here thinking to myself
I'd rather be at home hanging by myself
I don't think that I need any of your help
Ohh, no, ohh, ohh, noAnd ohh, I'm tired of the aggravation
Ohh, I'm sick of this dumb situation
Ohh, I'm trying to break out but then it'sToo late, I'm talking to myself, I don't need anybody else
I'm doing just fine on my own, nobody listens to me anyway
To anything I've got to say, so why don't you just leave me aloneI don't wanna see your pictures anymore
I don't wanna hear your stories anymore
I don't wanna catch you sleeping on my floor
Ohh, no, ohh, ohh, noAnd I'm tired of the infatuation
Ohh, I'm sick of this same situation
Ohh, I'm trying to break out but then it's
