

I Want To Be Like You

FFH

When I'm down, You are up for me
When I frown, You have a smile for me
And when I'm weak, You are strong for me
You are there for me
You're always there for me
When I fall, You will catch me
When I call, You're quick to answer me
And when I weep, You will weep with me
You are there for me
You're always there for me
Chorus:
(And I want to be like You)
Take my cross and follow after You
(I want to be like You)
Speak the truth in everything I do
(I want to be like You)
Leave the many to go and find the few
(I want to be like You)
I want to be like You
When I thirst, You will quench me
When I hunger, You are the bread for me
When I kneel, you already heard me
You are there for me
You're always there for me
