## Ruff Endz

    Hmm, yeah  
    (I miss you, baby)  
    I been missin' you  
    (It's so hard bein' away from you)  
    Girl, I been missin' you, baby  
    (Mmm, I want you next to me so bad)  
    I been thinking about you, girl  
    (I miss you so much, girl)I never felt loneliness like this before  
    I'm so paranoid  
    Thinkin' you gonna walk through the door  
    Girl, my heart has so much pain to endure  
It's been hurting for so long 'til it feels soreGirl, I don't wanna hurt no more  
    You're everything worth living for  
    So, baby, come back to meYou belong with me naturally  
    Take me outta my misery  
    Girl, I'm going crazyGirl, I been missing you, like crazy  
    Every minute seems like hours  
    Every day seems like weeksGirl, I been missing you, like crazy  
    Every minute seems like hours  
    Every day seems like weeksGirl, I been missing you, like crazy  
    Every minute seems like hours  
    Every day seems like weeksOoh, girl, I'm missing you  
    (Ooh, girl, I'm missing you)  
    You know I'm wanting to  
Spend every moment with youGirl, it's been so long since I seen your face  
    And I'm feeling so out of place  
    The touch of your fingertips on my back  
As we make contact, didn't I reactTo the chills you send through my veins  
    Girl, just the thought of you drive me insane  
    Girl, I can't wait to feel that feeling again  
It's your sweet love, I'm missingGirl, I been missing you, like crazy  
    Every minute seems like hours  
    Every day seems like weeksGirl, I been missing you, like crazy  
    Every minute seems like hours  
    Every day seems like weeksGirl, I'm missing you like crazy  
    I don't know what it is about you  
    Each moment without you  
    Seems like forever, babeI just need to be next to you  
    And until I'm next to you

I'll be missin' you, babe(Oh, oh, oh, oh)  
I been missing you  
(Oh, oh, oh, oh)  
Oh, the days have been so longI been missing you  
(Oh, oh, oh, oh)  
I been thinkin' about cheatin' Mrs. Jones  
I been missing you(Oh, oh, oh, oh)  
Said I'm lost without you, baby  
Oh, baby, baby, I been missing you  
I been missing you, babyGirl, I been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeksGirl, I been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks
