Morning Time

Eiffel 65

Morning Time {Time, Time, Time, Time}Now {Now, Now}Time {Time, Time, Time, Time}Morning Time, I
Sit And Watch The Sun Arise
And Everything Seems So Different Now
Than It Was Just BeforeDawning Sun, As You Go Down My Soul Will Run
I Feel It All Slip Away...
Slip Out Of My HandsI Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The LightI Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The LightMorning Time, I Sit Here Looking All Around
And Everything Seems So Colourful
And Life's A MiracleDawning Sun, I Here In The Wind Your Sweet Hum
I Feel It All Slip Away...
Slip Out Of My HandsI Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The LightI Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The LightMorning Time
Oh It's Morning Time
Dawning Sun
You Will Run AwayI Feel It All Slip Away...
Slip Out Of My HandsI Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The LightI Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The Light
