

Rock The Block

Sash

Haha, Deejay Sash
Is about to rock the block
 Rock the block
If you're dancing all night
 ?Till the morning light
And I'm never gonna stop
And I'm never gonna stop
 Rock the block
If you're dancing all night
 ?Till the morning light
And I'm never gonna stop
And I'm never gonna stop
 Rock the block, yeah
 Rock the block
 Haha, Deejay Sash
 Is about to rock the block
 Rock the block
 Rock the block
 Rock the block
If you're dancing all night
 ?Till the morning light
And I'm never gonna stop
And I'm never gonna stop
 Rock the block, yeah
 Rock the block
