

Carry On

Crosby, Stills & Nash

One morning I woke up and I knew you were really gone
A new day, a new way and new eyes to see the dawn
Go your way, I'll go mine, carry on The sky is clearing and the night has gone out
The sun, he come, the world to soften up
Rejoice, rejoice, we have no choice but to carry on The fortunes of fables are able to sing the song
Now witness the quickness with which we get along
To sing the blues you've got to live the dues and carry on Carry on, love is coming
Love is coming to us all Where are you going now my love?
Where will you be tomorrow?
Will you bring me happiness?
Will you bring me sorrow? Oh, the questions of a thousand dreams
What you do and what you see?
Lover can you talk to me? Girl when I was on my own, chasing you down
What was it made you run?
Trying your best just to get around The questions of a thousand dreams
What you do and what you see?
Lover can you talk to me?
