Bigger Wheels

I Am Kloot

Healers, dealer, skinflick traders, save my skin for later,
or else you won't get free,
Your dim and dismal, loves gone rotten, grim and greedy,
and best forgotten, yet still you say to me.There are bigger wheels than this, wider skies of blue.Hookers, lookers, pink skinned babies here's a list of maybe's,
I have saved for you
Your mad, appalling love and laughter, Stuck here for ever after,
and swimming all around youThere are bigger wheels than this, wider skies of blue.There are bigger deals, there are bigger wheels than you,
To get through.Healers, dealer, skinflick traders, save my skin for later,
or else you won't get free,
Your dim and dismal, loves gone rotten, grim and greedy,
and best forgotten, yet still you say to me.There are bigger wheels than this, wider skies of blue.There are bigger deals, there are bigger wheels than you,
To get through.Hookers, lookers, pink skinned babies here's a list of maybe's,
