Green to feel blue?
Is your vision purely golden?
Is your humour black or olden?
Do you find you're getting yellow?
'Though you know you're in the red dread
Red dread red dread red dread red dread red dread red I'm your media friend
Transparent so close friend Are you green to feel blue?
Is your vision purely golden?
Is your humour black or olden?
Do you find you're getting yellow?
'Though you know you're in the red dread
Red dread red dread red I'm your media friend
Around the clock religion Green to feel blue?
Is your vision purely golden?
Is your humour black or olden?
Do you find you're getting yellow?
'Though you know you're in the red dread
Red dread red dread red dread red dread red dread red I'm your media friend
With you to the rainbow end
Green to feel blue
