

# Say Goodbye

## Theory of a Deadman

She said don't leave this up to me to say That I don't love you anyway just Leave it up to me to say good - bye  
'Cause these good times will never last keep a hand on the wheel and a foot on the gas We thought it would last  
forever I wish you'd just remember

No, will anything change your mind? That one - way ticket was a pretty good sign How could you leave it all?  
There ain't much to leave behind So say good-bye just say good-bye

Next time i'll take it slow and as for you i'll never know At least next time i'll try to understand So please don't  
leave this up to me to say that you don't love me any i'll just leave it up to you to say goodbye 'Cause these  
good times will never last keep a hand on the wheel and a foot on the gas We thought it would last forever in  
case you don't remember

No, will anything change your mind? That one way ticket was a pretty good sign How could you leave it all?  
There ain't much to leave behind

So say goodbye, say goodbye, just say goodbye, say goodbye Say goodbye, just say goodbye, just say goodbye

Well these good times will never last keep a hand on the wheel and a foot on the gas we thought it would last  
forever in case you don't remember

No, will anything change your mind? That oneway ticket was a pretty good sign  
How could you leave it all? There ain't much to leave behind

So say goodbye , say goodbye, just say goodbye , say goodbye Say goodbye say goodbye, say goodbye,  
saygoodbye
