

Love Is A Night

[Gino Vannelli](#)

Hangin' out in new orleans
Diggin' on the bourbon scenes
Just feelin' the vibes of the oncoming days
There ain't no texan chaparral
To hide away all those southern belles
Just thinking about that georgian gal conjures a crazwLove is a night
Who really cares if it's wrong or it's right
And all that I care
You've been some life and love I could shareGot a thing in tennessee
She ain't about to marry me
There's never been a time she says yes and means no
I had a case in carolin'
From makin' love on rose wine
It's strange how they come and they goLove is a night
Who really cares if it's wrong or it's right
And all that I know
You've been some life and love on the road
