

# Blackened Waters (feat. Zakk Wylde)

## Black Label Society

And here I stand  
I find myself alone again  
The miles I've walked  
Loss of hope and loss of friends Yet I keep on running  
And I wont look back  
The waters rise  
You never know just where they're at  
The waters turn  
Yeah, yeah  
The hardships we endure  
Yeah, yeah  
You ain't the only son  
Or forgotten daughter  
We have drowned in blackened waters The sun has set  
The endless stream where nothing lasts  
Forever damned  
Today, tomorrow, and all the past Yet I keep on running  
And I wont look back  
The waters rise  
You never know just where they're at  
The waters turn  
Yeah, yeah  
The hardships we endure  
Yeah, yeah  
You ain't the only son  
Or forgotten daughter  
We have drowned in blackened waters
