This Is Gonna Hurt

Hoobastank

I've been living for too long
With a feeling something's wrong
Like a thorn stuck in my side
Just out of reach for me to pull it out
Now the picture's crystal clear
I can see that the end is near
We no longer have to pretend
All things have got to come to an end
This is gonna hurt
This is gonna hurt you
This is gonna hurt you
More than it hurts me
And I don't wanna hurt
That's why I've gotta hurt you
That's why I've gotta hurt you
It's how it's gonna be
I can say what doesn't kill you
Well I'm sure you know the rest
If you shut up for a second
I can get this off my chest
Cause I've been through way too much
And we've grown so out of touch
Now we can't see eye to eye
It's time to kiss it goodbye
This is gonna hurt
This is gonna hurt you
This is gonna hurt you

More than it hurts me
And I don't wanna hurt
That's why I've gotta hurt you
That's why I've gotta hurt you
It's how it's gonna be
This is gonna hurt you
That's how it's gonna be
This is gonna hurt you
Can't you see the writing on the wall?
One more step before I end it all
Can't you see the writing on the wall?

(Closing my eyes, holding my breath,
Finish it now, get it over with)
One more step before I end it all
(Closing my eyes, holding my breath,
Finish it now, get it over with)
This is gonna hurt (Can't you see the writing on the wall?) (Closing my eyes, holding my breath, Finish it now, get it over with)
This is gonna hurt you
This is gonna hurt you
More than it hurts me
And I don't wanna hurt (One more step before I end it all) (Closing my eyes, holding my breath, Finish it now, get it over with)
That's why I've gotta hurt you
That's why I've gotta hurt you
It's how it's gonna be
It's how it's gonna be
It's how it's gonna be
It's how it's gonna be
