It's All Too Much

Steve Hillage

It's all too much, It's all too muchWhen I look into your eyes, your love is there for me
And the more I go inside, the more there is to seeIt's all too much for me to take
The love that's shining all around you
Everywhere, it's what you make
For us to take, it's all too muchFloating down the stream of time, of life to life with me
Makes no difference where you are or where you'd like to beIt's all too much for me to take
The love that's shining all around here
All the world's a birthday cake,
So take a piece but not too muchSet me on a silver sun, for I know that I'm free
Show me that I'm everywhere, and get me home for teaIt's all to much for me to see
A love that's shining all around here
The more I am, the less I know
And what I do is all too muchIt's all too much for me to take
The love that's shining all around you
Everywhere, it's what you make
For us to take, it's all too muchIt's too much...It's too muchToo much too much too much (fade to end)
